## James F. Kirby Dies In Calgary

A resident and businessman here for the past 29 years, James Foster Kirby died Saturday in the Calgary General Hospital at the age of 57 years.

Born in Londonderry, Ireland, "Jimmy" came to Canada 34 years ago and had lived in Didsbury since 1925.

He was a past master of King Hiram Lodge, A.F. & A.M., No. 21; member of Calgary Lodge of Perfection, A. & A.S.R.; of Delta Chapter, Rose Croix, Alberta Consistory and of Al Azhar Temple, AAOMMS.

Surviving are two brothers, Luke of Copper Mountain, B.C. and W. J. of Calgary; four sisters, Mrs. York Shaw, Mrs. F. G. Orr, Mrs. E. McIntyre and Miss Josephine Kirby, all of Calgary.

Archdeacon E. H. Maddocks conducted funeral services Tuesday at 2:00 p.m. from Gooder Brothers Chapel in Calgary. Burial took place in Queen's Park cemetery.

Palbearers were: C. E. Reiber, Bob Eubank, LaVerne Neufeld, Fred Orr, Ed McIntyre and Jack Shaw.

## Ramblers Absorb 10-2 Shellacking

The Ramblers came into town under cover of darkness following their 10-2 defeat at the hands of Olds Elks Monday night. The boys have been in a bit of slump for the past week and Monday's debacle was the crowning blow. We don't mind losing the odd one by a fair margin, fellows, but let's not do it against Olds.

Olds led by a 4-goal margin in the first, built it up to 6-1 in the second, and coasted to a 10-2 win on four third period goals.

Hamilton and Smith scored for Ramblers.

Now that Ramblers have got that bad one (phew) out of their system we hope to see them regain the form they are capable of and tie one on the Elks when they meet them again in Olds on Saturday night.

Playing their usual close game, Ponoka Stampers and Didsbury Ramblers put up a spirited battle in the northern centre Saturday night, with Stampers gaining the nod from the scorekeeper with a 3-2 margin.

The teams played on even terms in the first and second periods with the score standing at 1-1 at the end of the first and 2-2 at the end of the second, with the northerners knocking the winner in the final session.

Papke and Stevens were the local marksmen.

## Local Red Cross Society Holds Annual Meeting

The annual meeting of the Didsbury and District Canadian Red Cross Society was held in the Lions Hall on Monday Jan. 29 at 8 p.m. with 20 members in attendance.

Minutes of the previous annual meet. were read and adopted. In his report, Mr. Cogswell remarked that the society had a very successful year. He thanked all officers and members for the splendid co-operation given.

Mr. Morgan, treasurer, reported that the quota for 1953 (\$2700) had been exceeded by \$50. He also reported a bank balance of \$359.74.

A successful Blood Donor Clinic was also held during the year.

Mr. Ken Burns reported for the Crippled Children's Hospital committee and advised that the committee had purchased three laundry wagons, at a cost of \$60 each, and that the Legion had also purchased one for the hospital.

Mrs. E. T. Wiggins reported for the Women's Work committee, stating that 178 articles had been turned in during the year. The hospital visiting committee made nu-

merous hospital visits.

Mr. and Mrs. E. Cogswell were appointed as delegates to the annual meeting of the Alberta division to be held in Edmonton Feb. 19 and 20.

The following officers were appointed for the year 1954: president, E. Cogswell; vice-presidents, K. Burns, east; C. Leson, town; E. Walker, west; secretary, Mrs. J. Reinhardt; treasurer, Mr. George McDonald.

Women's work committee, Mrs. E. Wiggins; blood donor committee, A. W. Reiber; hospital visiting committee, Mrs. S. Fox, Mrs. Cogswell, Mrs. G. Long, Mr. W. Reist; Crippled Children's hospital, K. Burns and E. Walker; swimming and water safety, J. H. Robertson and Dr. McNicol; campaign committee, H. Morgan, K. Burns and R. McNaughton; tea and refreshment, Mrs. W. J. McCoy, convener, Dr. R. E. McKenzie, Mrs. B. Kershaw, Mrs. K. McCoy, Mrs. N. Hunsperger, Miss Ruth Johnston, Mrs. E. Grange.

## Didsbury Legion Takes Part In Provincial Polio Campaign

The Didsbury Branch of the Canadian Legion has been a little late in starting their collections for the Polio Fund, due to the cold weather. However, now that the weather has changed all Legion and Auxiliary members are hoping they will get a warm response to the canvass.

"Iron Lungs" have been set out in some of the business places in Didsbury with the hope they soon will be filled.

Legion and Auxiliary members will be out to canvass Didsbury and district with hopes of raising \$2500.

This Polio Fund is raised to cover expenses for anyone who may be hit with this dreadful disease. We have had a few cases in the Didsbury district in past years and never know who may be the next victim. In many cases Polio may strike a mother or father of a household where there are small children.

In cases like this the other parent still has to go out and make a living for the small children who ordinarily would have to be left alone all day if the Polio Fund was not organized to cover expenses of someone looking after the children. In many cases the victim is left crippled and has to have many special treatments which are costly.

The Alberta government has announced that it will share largely the medical and hospital expenses of patients. This is only part of a Polio victim's needs. An ambulance or special nurse is often required and is costly to any family. It is hoped the Legion Polio Fund will help cover many of these expenses. In short, the Legion hopes to assume at least part, if not all, the unseen costs that occur when polio strikes.

Ordinarily the Legion works for a returned veterans, whether Legion members or not, but this Polio Fund is for anyone, man, woman or child, be they veterans or not.

It is pointed out that not more than five per cent of the money raised in the Polio Fund will be used for organizational expenses. Not more than 10 per cent of the money raised in Alberta will be sent to the National Foundation for Polio myelitis with the remaining 90 per cent to be spent in the province.

Official receipts will be given for all donations when asked for, as any contributions to this fund are deductible for Income Tax purposes.

**LEGION AUXILIARY TO ASSIST IN CAMPAIGN**

The Ladies' Auxiliary to the Canadian Legion, B.E.S.L., met last Thursday evening with 11 members present.

The Polio campaign was discussed and the ladies will assist the Legion in this project.

The annual supper will be held in February this year.

## Mountain View

(From Our Own Correspondent)

Mr. Art Gebers is out of the Calgary hospital and is staying in the city for a few days.

Mr. Myron Gebers is again working for the Dominion Bridge Co.

Mr. and Mrs. Harold Swanson and family visited Sunday afternoon with Mr. and Mrs. Joe Hunter and family and Mr. and Mrs. Lawrence Hunter and Donna.

Mr. and Mrs. Garnet Tighe had a letter from their son-in-law and daughter, Mr. and Mrs. Noel Dumontier of Bonnyville and they reported the mercury dropped to a low of 72 during the recent cold spell.

Mr. and Mrs. Garnet Tighe visited Sunday with Mr. and Mrs. Bill Spooner of Acme.

Mr. and Mrs. Grenville McCall and Florence and Mr. and Mrs. Thomas McCall were Calgary visitors on Sunday.

Mr. McLeod of Banff is staying with his daughter, Mrs. Herschel Fry and family.

Mrs. Trenholm and Claude visited Monday evening with Mr. and Mrs. James Worrall.

**WEST DIDSBURY CALF CLUB JUDGE BABY BEEF**

The West Didsbury 4H Club met at the home of Alex Blain on Jan. 29 at 8 p.m.

The members judged a class of baby beef, after which Mr. McPhail and Mr. Hughes gave the correct placings of them.

During the business meeting it was decided to learn the 4H pledge to open the meetings. James Hoggood gave an interesting talk on "War on Warbles." Lila Blain discussed "The Cuts of Beef." Marlene Dumphy talked on "Suggested Recipes for Baby Beef."

The club had a discussion on whether to visit the Olds School of Agriculture but it was decided to wait until the next meeting to set the date.

The next meeting will be held at Mr. Gillie's on Feb. 20th at 8 p.m.

## FALLEN TIMBER

(From Our Own Correspondent)

What a relief to finally have mild weather after such a long cold spell. Many of the children were unable to get to school and are certainly glad to get back in harness.

Mr. and Mrs. Bob Moore, Judy and Brian, spent a week at the home of Mr. and Mrs. Johnny Howton.

Mr. Nick Harris was a weekend visitor at the home of Mr. and Mrs. Bill Dick.

Mr. and Mrs. N. Harris were Crenna visitors on Sunday.

We are sorry to hear that Mr. H. Russell has been very ill with the mumps. We wish you a speedy recovery Harold.

Mrs. A. Wamannaker and Donna were visitors in the district on Sunday.

Mrs. G. W. Hone spent Saturday and part of Sunday at her home in the district.

Mr. and Mrs. Johnny Howton, Danny and Jeannie, were supper guests at the home of Mr. and Mrs. W. H. McGaffin of Didsbury on Saturday.

Mr. and Mrs. Bob Moore and children and Mr. and Mrs. Johnny Howton and children were visitors at the home of Mr. and Mrs. E. Loughred and Lenny, of Edswold, recently.

Mr. J. H. Cooper, James and Keith, spent an evening recently visiting at the home of Mr. and Mrs. J. Howton.

**RED DEER PLAYS HERE THURSDAY**

Red Deer Monarchs make their last regular league appearance of the season on local ice Thursday night. The last time the league leaders played here they absorbed a loss at the hands of Didsbury and will be going all out to rectify the mistake. Ramblers don't think it was a mistake and will be out to repeat the lesson.

Saturday night the Ramblers play in Olds with a return engagement between the two teams here on Monday night.

On Tuesday Ponoka Stampers will open the intermediate "A" provincial playdowns here against Didsbury.

## Prov. Playdowns Start Tuesday

Ponoka Stampers and Didsbury Ramblers will meet in the first round of the provincial intermediate "A" hockey playdowns starting here on Tuesday, Feb. 9. Second game of the best two-out-of-three series will be played at Ponoka on Friday, Feb. 12. If a third and deciding game is necessary it will be played in Ponoka on Sunday, Feb. 14.

As this is not a regular league game season tickets will not be honored.

## WESTERDALE NEWS

(From Our Own Correspondent)

Three tables of whist, instead of crokinole, as was previously arranged, was played at the home of Mr. and Mrs. H. Jackson last Tuesday evening. Top honors went to Mrs. H. Jackson and Mr. W. W. Wagle, with consolation going to Mrs. Greta Kershaw and Mr. G. Jackson.

Mr. A. Jones and son Tommy motored to Trochu on Saturday where they spent an overnight visit at the home of Mr. and Mrs. A. Koch.

Mr. and Mrs. J. E. Bolton and family visited on Sunday at the home of Mr. and Mrs. L. Press of Didsbury.

**W.C.T.U. CONTEST**

Following are the names of those successful in the W.C.T.U. Sunday School study course on scientific temperance:

1st, Diana Rothfild, Knox United Church S.S.; 1st, Carol Teynor, Fallen Timber S.S.; 1st, Grace Eby, United Missionary S.S.; 2nd, Caroline Snyder, United Missionary S.S.; 3rd, Joyce Traub, United Missionary S.S.; 4th, Gary Shantz, United Missionary S.S.; 5th, Elouise Spreeman, United Missionary S.S.

Shown above is the Grand View Trophy, donated by Mrs. Joyce Mullen of Didsbury, which will be presented this year for the first time to the player judged most valuable on the Didsbury Ramblers club. Judging is done at each home game by seven anonymous hockey experts. Points are given as follows: three for first choice, two for second and one for third. In this way a player may not get a first choice all season but by consistent team

play and initiative may garner more points than a team mate who only plays a good game once in awhile. The competition, if it may be so called, ends at the closure of the league schedule. The trophy will be awarded annually and miniatures will be presented by the team to the player winning each season.

The original will be on display in the window of J. V. Berscht & Sons in the near future.

## Masonic Bonspiel Scheduled Feb. 10

The annual Didsbury Masonic Bonspiel will get underway at 9:00 a.m. Wednesday, Feb. 10.

Skips in the event are as follows: L. Berscht, T. Morris, K. Gillrie, R. Campbell, C. Reiber, L. Clayton, R. Eubank, J. Wording, G. Law, S. Krueger.

**OLDS RINK WINS MACDONALD BRIAR CURLING**

The Olds rink skipped by Bill Allen, won out over Torrington here last Thursday in the district Macdonald Briar playoffs.

Earlier in the day the Allen rink had disposed of the local entry skipped by Cliff Sorenson.

## WESTCOTT NEWS

Friends of Mr. John Jacobson will be pleased to hear he is improving in health and is now able to be up for a short time each day.

Mr. and Mrs. Bud Osborne of Athabasca were supper guests recently at the Herbert Goettgen home.

Mrs. Baudistel Sr. is visiting at present in Calgary.

Mrs. Ethel Korschuh didn't have classes at school a few days last week when she was unable to get to school because of the drifting.

Mr. Duane Jacobson of Calgary spent the weekend at home here.

Mr. and Mrs. Herbert Goettgen accompanied the newly-weds, Mr. and Mrs. Ken Card, to Calgary at the weekend and spent the night with them in their new suite.

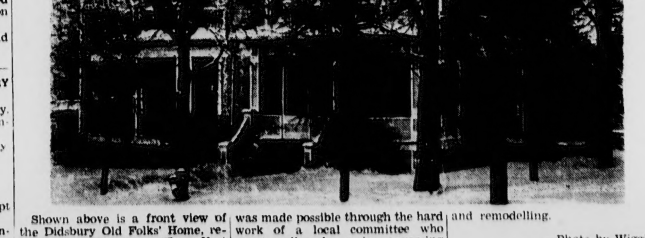

Everyone is enjoying the lovely warm weather of the last few days and it's giving the farmers a chance to store up their feed supplies for the stock in preparation for the next cold snap, which we hope will not last as long as the last one.

## RECIPE HINTS

Two clever hamburger ideas — Cheese-Cross Burgers and Hamburger Tuck-ins (stuffed hamburgers) make a hamburger tray to serve your guests at either a porch or back yard party. Have mustard and catsup on hand to complement the flavors of the tasty burgers.

**Cheese-Cross Burgers**  
Combine 1 lb. ground beef with ½ cup water, 1 tsp. salt and ½ tsp. pepper. Shape into 4 or 5 patties and pan-fry or broil until well browned. The last few minutes of the cooking time, top each patty with two strips of processed cheese arranged cross-wise. Continue cooking until cheese begins to melt. Garnish each with a slice of stuffed olive.

**Hamburger Tuck-ins**  
One lb. ground beef, 1 tsp. salt, ½ tsp. pepper, 2 tsp. Worcestershire sauce, 4 tsp. finely chopped onion.

Mix ground beef with salt and pepper and shape into 8 thin patties. Cook in Worcester sauce

with onion. On each of four patties place one tablespoon of chopped onion. Top with a second patty and pinch edges together well. Pan-fry or broil about 15 minutes, turning once, 4 servings.

If you'd like an even greater variety of hamburger treats for your guests, then "choose your favorite" tray, here are two more ideas for glamorizing the ground ties. Broil.

**Bacon-Wrapped Burgers**  
Wrap each ground beef patty with bacon (1 strip for each small patty, 2 for each large one) before cooking. As an extra special touch, press small pineapple chunks into one side of the bacon wrapped patties. Broil.

These students from White River, Ont., made a round trip of more than 1,100 miles to visit the Royal Ontario Museum in Toronto to see how oil is found and produced in Alberta, Manitoba and Saskatchewan. The students and their teacher, Miss Agnes Farries (centre, back row) set a new distance record for organized school groups visiting the museum. They saw an exhibition on the Canadian oil industry, produced jointly by Imperial Oil Ltd. and the museum. The first exhibition of its kind in Canada, it uses modern display techniques to explain the intricacies of oil exploration and discovery in western Canada. Miss Margaret Cumming, science lecturer of the museum staff, is discussing the operation of an oilman's Christmas tree, the collection of valves and pipes which controls the flow of oil from a well.

## Through The Study Window

By REV. C. C. ARMSTRONG

What are you going to do on Friday, February 5th, in the evening at 7:30 p.m.? Oh, so you plan to attend the meeting in Olds United Church, and hear Miss Beulah Bourns! Very good.

Miss Beulah Bourns, Reg.N., and Dr. Florence Murray, M.D., have been on the staff of the Severance Hospital and Nurses' Training School, in Korea. At present, Miss Bourns is on furlough and is speaking of the work being done by the missionaries working under the W.M.S. and the Overseas Mission Board of the church. The occasion of her visit is the Presbyterian gathering at Olds, and she will address a public gathering in the Olds United Church at 7:30 on Friday, February 5th.

Dr. Murray and Miss Bourns have been on the staff of Severance Hospital at Seoul, and Miss Ada Sandell, Reg.N., has been on the K. J. Island Unit of Severance. Thus Miss Bourns and her fellow workers have been in the very midst of the work of healing so tragically necessary in that troubled land. Her reports are first-hand, authentic and challenging. It would be a shame and a disgrace not to respond to this opportunity to hear her tell the story of the healing ministry in Korea.

Founded in 1884, Severance is the first modern hospital in Korea, and is supported by the Mission Boards of the Presbyterian, Methodist and United Churches of the United States, Canada and Australia. About 1300 doctors have graduated from Severance, being about 35 per cent of all the doctors in Korea at the present time. During the present war the out-patients building, maternity and private patients' wing, nurses' residence and other buildings have all suffered much damage.

The Out-Patient Clinic was reopened in 1951 and the hospital in 1952, although the bed capacity had been reduced from one hundred and fifty to only 80 beds. The K. J. branch has about 80 beds and 200 out-patients daily. One hundred and twenty-five students are enrolled in the Medical School.

The spirit of the hospital is shown by the simple declaration that "No one whom we can help is turned away for lack of money, although almost all are refugees, or orphans who can pay nothing and frequently have to be clothed by the hospital before they can leave. Severance seeks in this devastated city to show forth something of the love of the Great Physician."

So, remember! Miss Beulah Bourns, R.N., Olds United Church, February 5th, 7:30 p.m.

## AGRICULTURAL SERVICE BOARD NOTES

The best time to kill weeds is fortunately a "safe period" as far as most crops are concerned. The one exception to this general statement are oats, which differ from wheat and barley. Wheat, barley and rye, while generally quite tolerant to 2-4-D, should not be treated in the seedling stage. This will be about three weeks after the crop appears above the ground, or when the plants have reached a height of four to five inches.

Treatment can be carried on safely from stooling to jointing stage until the early shot blade stage when the danger point is reached. From the time the shot-blade appears through to heading, treatment must be withheld, otherwise serious damage may be done to the crop.

After the flowering period is past it is safe to treat wheat, barley and rye, but difficult to do, other than by aircraft. Oats differ from wheat and barley in that they are more sensitive to 2-4-D. Oats may be treated for a short period just after the seedling stage. This will be from the 3 to 6-leaf stage.

As soon as the jointing period is reached they are very subject to damage, also again at flowering time. From shot-blade and into the early boot stage, treatment can safely take place. Also again after flowering. Application rates on oats should not reach the maximum rates that wheat and barley will tolerate. The period in which to treat flax differs from cereals. Treatment for flax can commence early, and continue until the first buds appear, then treatment must cease.

After the 3rd and 4th leaf appear (and this is about the time the weeds are showing), flax is ready to treat right on through to the first sign of bolls. After flowering, flax can and often is treated successfully. Careful timing in relation to both the stage of crop growth and weed growth is very important in the successful use of weed killing chemicals.

## Is There Really A Wheat Surplus?

The price at which wheat can be bought determines the uses to which it can be put.

At \$1 per bushel it is one of the cheapest of human foods, and can be eaten by most of the nations west of the Iron Curtain.

At this price it can also be fed to hogs and thus converted into another marketable food.

As the price rises, farmers find it more profitable to sell their wheat than to feed it to livestock. They feed less of it and send more to market where it adds to the surplus.

At \$2 a bushel wheat can be sold only for human consumption, and only to the wealthier nations.

At that price the poorer nations have to give up all thought of feeding their families on wheat bread, and turn to inferior foods that they can grow themselves.

Thus the more we charge for our wheat, the fewer people will be able to buy it, and the greater the surplus will become.

The present unsaleable surplus is an artificial one created by the greed of the wheat producers of this continent who, with the active support of their governments, are holding it for higher prices than the world can pay.

## T.B. Seal Drive Ends In February

February 15th will be the closing date for the 1953-54 Christmas seal sale in Alberta. It was announced today by D. W. Robertson, Red Deer, president of the Alberta Tuberculosis Association.

Provincial receipts to date total \$193,000, which is still \$20,000 short of the \$213,000 objective. This amount is the very least that will permit the Association to carry out its extensive program in 1954-55 which includes early diagnosis through mobile units and X-ray installations in hospitals, vocational training and rehabilitation, tuberculosis testing, nursing services and welfare, research and health education, public and professional.

For Red Deer and Central Alberta, the total now stands at \$14,000 which is still \$3,500 from the \$17,500 objective. D. W. Robertson, chairman of the Red Deer Rotary T.B. Christmas Seal committee, reports that a large number of former contributors have not yet been heard from, and urges everyone to "send in that contribution now."

T.B. Christmas seal contributions are income tax deductible, and may be sent to the Rotary Club Seal Committee, Box 27, Red Deer, Alberta.

British millers are now producing white bread but the cost is higher than the so-called "national loaf" which is made from 81 per cent extraction flour. Prior to World War II the British people preferred the white bread and, of course, it is wondered whether they will turn to it again in large numbers after having had to eat darker bread for the past 13 years.

It is costing the United States government \$16 million a month to store surplus farm products.

Canada's Story  
Worth Telling

For nearly 100 years, Ottawa and  
London have been the two ends to  
most official Canadian missions. In  
recent generations, Washington has  
become another place where anyone  
from the Prime Minister to a  
minor secretary might fairly regu-  
larly hang his hat.

Never before, however, has this  
country's first minister taken the  
story of Canada to millions of peo-  
ple around the globe from London  
to Bahrain to Karachi to Tokyo, as  
Mr. St. Laurent is doing in his  
world tour.

Canada is respected in world  
affairs. No one fears us. Most  
people are our friends. Or at least,  
they don't think poorly of us.

But, how much of the world's  
goodwill have we won by default?  
And how much of it is ours to  
keep?

We will never be a great power  
in military might, nor do we want  
to be. We will never push anyone  
around. There, however, lies our  
opportunity. Our appeal to the  
world will have to be through  
reason and understanding, not  
through brute strength. By using  
our brains this land can give lead-  
ership to the middle powers among  
whom we find ourselves the fore-  
most.

That's why Mr. St. Laurent's  
trip is so important. The head of  
our government will have a look at  
the world. And the world, and par-  
ticularly Asia, will be reminded that  
we exist.

## CAR DISTRIBUTION

A measure was introduced in the  
House of Commons last week ask-  
ing for a distribution of railway  
grain cars in accordance with the  
wishes of the grain producers.  
The Liberals and conservatives vot-  
ed solidly against the measure, in-  
suring its defeat. C.C.F. and Social  
Credit members voted solidly for it.  
Our distribution in the prairie  
provinces is now based mainly on  
one car per elevator. This system  
prevents many Pool members from  
patronizing Pool elevators. Pool  
members feel that they should  
have an opportunity to patronize  
the elevators they own and gain the  
benefits thereof. If cars were al-  
located according to the desires of  
grain producers this could be done.

## CHRISTIAN SCIENCE

To wholly spiritual nature if ef-  
fective prayer which overcomes sin,  
sickness and sorrow, will be set  
forth at Christian Science services  
this Sunday. Selections from the  
Authorized King James Version of  
the Bible and correlative passages  
from "Science and Health with Key  
to the Scriptures" by Mary Baker  
Eddy comprise the Lesson-Sermon  
entitled "Spirit".  
Scriptural texts include the fol-  
lowing words of Christ Jesus from  
John: "The hour cometh, and now  
is, when the true worshippers shall  
worship the Father in spirit and in  
truth; for the Father seeketh such  
to worship him. God is a Spirit; and  
they that worship Him must wor-  
ship Him in spirit and in truth" (4: 23 the, 24).  
The following correlative citation  
from Science and Health by Mrs.  
Eddy will also be read: "To enter  
into the heart of prayer, the door  
of the erring senses must be closed.  
Lips must be mute and materialism  
silent, that man may have audience  
with Spirit, the divine Principle.  
Love, which destroys all errors"  
(15: 9).

## YOUTH FELLOWSHIP

CONVENTION, FEB. 5, 6, 7

The United Missionary Youth Fellowship of the Conference will hold its annual convention in the Didsbury church and Mountain View College, Feb. 5, 6 and 7. The first program will be presented Friday evening when a Songspiration will open this rally at 7:30 p.m. Rev. Willard Swain, director of youth work in the church, will be in charge. The young people have secured the services of outstanding speakers and the public is cordially invited. It is a missionary convention.

Rev. Willis Hunking, returned missionary from Nigeria, is the main speaker. This young man has a most challenging message and all young people from all our churches should hear him. Rev. Donald Taylor, president of M.Y.B.C., will speak Saturday afternoon.

A banquet will be held in the College Saturday at 5 p.m. for all registered young people of the convention at which time Rev. Hunking will again address them.

Special numbers will be rendered by the College A. Capella choir, quartettes, solos, instrumentals. All young people, 12 years and over, are invited to register at the College if they wish to take in all of the events.

Bobbyetta Porter, of Illinois, keeps a pet in her house that would dismay the most stout-hearted prowler — a 325-pound male lion called "Tex." And when a lion lives

in somebody's house he has to be kept clean — even his teeth. The lion's mistress is shown above giving the molars a good going over.
